

VPPPA Expo 09 Exhibitors

// as of print date

Experience the VPP way! VPP sites are the best of the best in safety, health and environmental excellence. These leaders know continuous improvement is the only way to stay ahead, and they turn to VPPPA exhibitors for their competitive edge. Put your products and resources in the hands of these decision makers. The following exhibitors have profited from the energy, culture and buying power of our attendees and made the VPPPA Expo 09 an integral part of their marketing efforts:

 Workrite Uniform Company

// My company thought that the quality of the attendees was remarkable. We generated many valuable leads that will help us in the safety industry. This was our first time to exhibit at the VPPPA, but we will be back for 2009 as well as some regional shows. Many of our existing customers, as well as potential customers, were there and everyone enjoyed the location! -Cindi Naylor, Hagemeyer N.A.
