VPPPA membership is restricted only to the site that has applied for membership. Membership cannot be shared with another site.

FULL MEMBERSHIP is applicable to sites currently approved in OSHA, DOE or State-Plan-State VPP. Annual dues are based on the number of employees (excluding contractors) at each facility (see chart).

VPP Mobil Workforce Demonstration for Construction sites can join VPPPA as Full (if VPP-approved) or Associate (if pursuing VPP) members. The number of employees is based on the number of employees reported for the OSHA Designated Geographic Area (DGA) or listed on OSHA's 300 Log, respectively.

ASSOCIATE MEMBERSHIP is applicable to worksites, corporate offices or educational institutions pursuing OSHA, DOE or State-Plan-State VPP approval. Corporate offices may join as an Associate member if they do not have any worksites that are currently in the VPP.
