

Best Practices Directory

The *Best Practices Directory* is a service of the Voluntary Protection Programs Participants' Association, Inc. (VPPPA). The directory lists best practices that were identified by the Occupational Safety and Health Administration (OSHA), Department of Energy (DOE) or State Plans during VPP onsite evaluations as well as some site-identified best practices. This valuable resource is intended to assist facilities as they improve their safety and health management systems and acknowledges sites for their innovative accomplishments in this area.

To contribute to the *VPPPA Online Best Practices Directory*, please submit this form by **Friday, October 21, 2011**. This information will later be published in the *2012 Best Practices Directory*.
