BILLING

Advertising will be billed as established in writing with the Publisher. Payment is due within 30 days of receipt. Payments received will be credited to the oldest outstanding balance.
Event E-Blasts

Event e-blasts are the official method of communication for the association's annual Safety+ Symposium and provide pertinent information on symposium news, important deadlines, registration and hotel information. The newsletter is distributed to members, Safety+ attendees and potential attendees, exhibitors and potential exhibitors. For the schedule and other information, contact Advertising@vpppa.org.

Event e-blasts are sent to both members and non-members in the safety and health industry totaling more than 20,000 recipients. Event attendance includes more than 3,000 safety professionals.

*High Traffic Event Blasts
In addition to standard e-blasts, we also offer high-traffic e-blasts. These blasts contain information that elicits a larger response from readers including early bird registration deadlines, regular registration deadlines, and blasts sent out in the month leading up to the event.

Ad artwork is due the Monday of the week the newsletter is published.

Linked Sidebar Buttons: 175 x 145px
Banner: 595 x 65px (pixel width x height)

Accepted file types: JPG, TIF, GIF

Rates: The event e-blasts are not year-round, so placement is limited. Placement in this electronic newsletter is a flat, per-insertion rate.

EDITORIAL CONTENT
VPPPA’s annual Safety+ Symposium Onsite Journal complements the Safety+ Mobile App by providing essential information for navigating through VPPPA’s largest educational event of the year. The journal will include the agenda, upgraded exhibitor information, and other vital event details. The journal will also provide each attendee with ample room for note taking during this education-packed event.

READERSHIP PROFILE
The annual Safety+ Symposium provides a forum where workers, managers and safety professionals from a wide variety of industries convene to network and share ideas on the best safety, health and environmental practices and programs in the nation. The Onsite Journal is retained by attendees as a reference after the symposium and will remain a source for each attendee to look back to now that substantial note-taking space is provided. (See sponsorship opportunity on page 10.)
