Support Workplace Mental Health for only \$5!

VPPPA is teaming up with the National Alliance on Mental Illness (NAMI) to raise awareness about mental health and the resources that are available to those in need. The Winter issue of VPPPA’s award-winning magazine, the *Leader*, will focus on mental health in the workplace, shining a spotlight on a topic that affects every worker, everywhere.

We are making this issue available for purchase on its own, at a special rate of \$5. All proceeds will be matched by VPPPA, up to \$5,000, and donated to NAMI.

Copies will be distributed in **February 2020**.
