VPPPA MEMBERSHIP CATEGORIES

VOLUNTARY PROTECTION PROGRAMS PARTICIPANTS' ASSOCIATION, INC.

VPPPA membership is restricted only to the site that has applied for membership. Membership cannot be shared with another site.

FULL MEMBERSHIP is applicable to sites currently approved in OSHA, DOE or State-Plan-State VPP. Annual dues are based on the number of employees (excluding contractors) at each facility (see chart).

VPP Mobil Workforce Demonstration for Construction sites can join VPPPA as Full (if VPP-approved) or Associate (if pursuing VPP) members. The number of employees is based on the number of employees reported for the OSHA Designated Geographic Area (DGA) or listed on OSHA's 300 Log, respectively.

ASSOCIATE MEMBERSHIP is applicable to worksites, corporate offices or educational institutions pursuing OSHA, DOE or State-Plan-State VPP approval. Corporate offices may join as an Associate member if they do not have any worksites that are currently in the VPP. Educational institutions may qualify for Associate membership by cooperatively working with governmental agencies to improve worker safety and health. Annual dues are half of Full membership dues (see chart).

INTERNATIONAL ASSOCIATE MEMBERSHIP is a worksite outside of the U.S. and its territories pursuing the elements of VPP or a similar occupational safety and health excellence program.

STUDENT MEMBERSHIP is for a full-time student pursuing an undergraduate or graduate degree at a college or university.

RETIREE MEMBERSHIP is a membership for individuals who have retired but would like to maintain their professional relationships and stay involved with the VPPPA community.

CORPORATE MEMBERSHIP is limited to any headquarters office of the same company, division or corporation, which provides guidance and/or support directly to an approved VPP worksite. Corporate membership category is not an umbrella membership and only covers employees at the corporate site.
